

**Vision is
our mission[®]**

**BUS & COACH
VISION SOLUTIONS**

MirrorEye™

Increase safety and reduce fuel consumption on your bus or coach with the MirrorEye camera system. MirrorEye is Stoneridge-Orlaco's latest innovation in mirror replacement for trucks and buses.

MirrorEye has been designed to perform in all conditions. This HD camera monitor system always provides a sharp and detailed image, even when faced with low sun, rain, snow and dust.

The cameras adjust effortlessly between light and dark conditions in tunnels using built-in infrared light and also offer an **optimum view at night**.

MirrorEye ensures that drivers can do their job safely and confidently.

Sharp image in dusk and dark circumstances

Perfect vision in rain, snow and dust

Optimal image during low standing sun

the future in mirror replacement

MirrorEye increases safety by covering a larger field of vision than mirror **classes II, IV and V**. With a better view, you can drive in comfort and maneuver easily in all traffic situations. This increases safety for the driver, passengers and other road users.
